

Fort Town Night Run

Welcome to the Design the 2020 FTNR Medal Drawing Contest

We would like to invite all youth from grade 6 to 12 to draw for us next year's FTNR medal. This medal will be given to all runners/walkers who complete the 4th Annual Fort Town Night Run on May 2nd, 2020 in Prescott, ON. This year's theme is Steampunk and would like you to incorporate this theme into the medal for the FTNR, while striking a balance with our focus on Prescott's historical sites. We propose the following:

At the mid 19th century, the steam engine train changed the world forever. We now could go faster, carry more cargo wherever we wanted, businesses thrived, work could be found everywhere, and people built the wildest and imaginative contraptions. This was a world where dreamers became mad scientists, adventurers, travellers, and so forth. Fort Wellington was in the middle of this revolution.

I leave it in your capable creative hands to design an unforgettable work of art. For additional information about the event, the town of Prescott, and last two medal designs, please visit our website at www.forttownnightrun.com.
